

Spend a few moments in silence. Then say this prayer together as a group. Next, pass the container around. Each person will draw a question, read it out loud, and pass the container to the next person.

Direct my hands and guide my fingers.
As I choose a question,
please choose one for me.

Speak Lord,
and give me a question that will
encourage and challenge me.
A question that will change my heart.

Empower us to become seekers on a journey,
discovering our honest answers
to your probing questions.

May your Spirit
illumine our minds,
open our hearts,
and ready our bodies
to answer you honestly
without fear or judgment
but with patience and grace.

We pray this in the name of Jesus,

Amen.
